Organization Fundraiser Nights

Did you know that **The Zone** Action Park offers exciting FUNdraiser Programs for local Organizations?

Here is how it works: Your organization will be assigned a specific night (Monday thru Thursday) each month that your members can visit The Zone and purchase unlimited wristbands at a great discount. The particular night would be once a month, the same day each month. I.e., the first Tuesday of each month or the third Wednesday of each month would be your organization's night. This can last for the entire year.

We offer a **Red Apple** Ultimate wristband for unlimited golf, bumper boats and go-karts (weather does not matter, the price will be the same) and \$1.00 in game play per person. The cost is only \$5.99 per person. Your organization will get back \$2.00 for every **Red Apple** wristband sold that night. **Minimum of 75 required.**

We offer a **Green Apple** Package One wristband for unlimited "golf only" for \$2.99. For every **Green Apple** wristband sold, your organization will get \$1.00 back. **Minimum of 75 required.**

We offer a Food Special consisting of a slice of pizza and a small drink, a Hot Dog and a small drink, or a Corn Dog and a small drink for \$1.75. Your organization will not receive any money from food sales.

Your members must show their organization ID/organization shirts and tell the cashier what organization they are with. This is important so that your group will get the proper credit at the end of your special night. Wristbands will be good from 6:00 pm until 9:00 pm on that night only.

Organization sponsors are free!

\$1.00 in game play not included with free wristbands.

Your organization will be responsible for promoting your special night to your members.

If you would like your organization to participate in this exciting FUNdraiser Program, please call Reyna Reynoso at The Zone for more information. (956) 664-9663.

This is a WIN/WIN Program!
