PTA / School Fundraiser Nights

Did you know that **The Zone** Action Park offers exciting
FUNdraiser Programs for local schools and PTAs?

Here is how it works: Your school will be assigned a specific night each month (Monday - Thursday) that your students can visit The Zone and purchase unlimited wristbands at a great discount. The particular night would be once a month, the same day each month. I.e., the first Tuesday of each month or the third Wednesday of each month would be your school's night. This can last for the entire year!

We offer a **Red Apple** Ultimate wristband for unlimited golf, bumper boats and go-karts (weather does not matter, the price will be the same) and \$1.00 in game play per child. The cost is only \$5.99 per child. Your school/PTA will get back \$2.00 for every **Red Apple** wristband sold that night. **Minimum of 75 required.**

We offer a **Green Apple** Package One wristband for unlimited "golf only" for \$2.99. For every **Green Apple** wristband sold, your school/PTA will get \$1.00 back. **Minimum of 75 required.**

RED AND GREEN APPLE PACKAGES CAN BE COMBINED!

We offer a Food Special consisting of a slice of pizza and a small drink, a Hot Dog and a small drink, or a Corn Dog and a small drink for \$1.75. Your school will not receive any money from food sales.

Your students must show their school ID/school spirit shirts and tell the cashier what school they are with. This is important so that your school will get the proper credit at the end of your special night.

Wristbands will be good from 6:00 pm until 9:00 pm on that night only.

Teachers are free!

\$1.00 in game play not included for free wristbands.

This is limited to the Teachers Only. We require a school ID, and in some cases a form of ID from the Teachers to prevent abuse of this special offer.

Your school will be responsible for promoting your special night to your students through the use of flyers and, or announcements.

If you would like your school to participate in this exciting FUNdraiser Program, please call Reyna Reynoso at The Zone Action Park for more information. (956) 664-9663.
